

Our topic for the first Autumn half term in Year 2 is

Maths

In Maths we will be building on all of the learning from last year and introducing Power Maths.

This half-term we will focus on number and place value. We will then move on to using this to support addition and subtraction.

Science

We will be learning about living things, including plants this half term. We will learn about life cycles of plants, the needs of plants and how to identify whether something is living or non-living.

PSHE

The focus for PSHE this half term is "Being Me in My World".

PE

Our focus this half-term will be football skills.

Once upon a time

Enrichment

Fairytale Day – Friday 25th October 2019

Children can come to school dressed as their favourite fairytale character and will enjoy a range of creative activities.

English

In reading we will be exploring a range of fairytales and other traditional tales. We will be developing the skills of retrieval & recording.

In our English lessons we will be exploring "Little Red Riding Hood" and "Who's Afraid of the Big Bad Book". We will be creating a WANTED poster, retelling a story and writing instructions. We will continue to develop our understanding of punctuation and grammar.

Topic

This half term, our focus for our Topic lessons will be Art and Design Technology. We will explore Van Gogh's "Sunflowers" painting before creating our own. As part of Design Technology, we will design and create our own moving pictures.
