The best in everyone™
Part of United Learning

Tuesday 17th November 2026

Dear Parents and Carers,

We are pleased to offer children in Years 2-5 the opportunity to take part in Cycle Skills sessions on Thursday 10th December.

These free sessions will take place during the normal school day and are designed to:

- Teach children how to ride a pedal bike.
- Support children who can already ride but would like to build their confidence and improve their cycling skills.

The sessions are being provided as part of our involvement in the Active School Journeys project, funded by BCP Council and delivered by Walk Wheel Cycle Trust (formerly Sustrans).
If you would like your child to be considered for a place, please complete the online sign-up form by 27th November:

Parents and carers will be informed by 4th December if their child has been allocated a place for this session. If your child is not offered a place on this occasion, we will endeavour to arrange another opportunity later in the academic year.

Kind regards,

Aidan Richards
Assistant Principal
