

Our topic for the first Autumn half term in Year 6 is

Maths

We will cover the following topics across the half term:

- Place Value
- Rounding
- Addition and Subtraction
- Multiplication and Division
- Mental arithmetic

PSHE

'Being Me in My World' - This term we will be discussing ways in which difference can be a source of conflict in peoples' lives. Children will be able to talk about one thing that makes them different from their friends and how they feel about this.

PE

Our PE focus this half-term will be Hockey, in which children will develop skills in running, passing & retrieving as well as teamwork.

World War II

Enrichment

Our topic will start with an Evacuee Day and end with a 'street party' to celebrate VE Day, during which children will be singing War Time songs they have learnt throughout our topic.

English

Our whole class text is 'Letters from the Lighthouse', by Emma Carroll. We will be working on:

- Character Description
- Narrative
- Dialogue
- Diaries
- News reports (historic)
- Letter & Persuasive texts
- Speeches

Topic

Our History focus will be learning about the origins and impact of WWII on Britain and studying the key events and dates. We will cover evacuation, rationing and propaganda. For Art, children will also be looking at and trying to recreate some sketches & paintings. In Computing, we will use technology to help us with our World War II research.
